INTERESTS

- ∴ Rugby – Coach (1 year) & Player (4 years)
- ∴ Tennis - Captain & player (10 years, competition level 30)
- ∴ Entrepreneurship - Startup weekend, Brest (July 2016) : solution to stop waiting at the doctor's
- ∴ BAFA - certificate to take care of groups of children with training in France and London

EXPERIENCES

CGI Business Consulting IT Consultant, May-Aug. 2018, Paris

- ∴ Project Management Office (PMO): supported the management team in leading the project (meetings organization & presentation, human & financial resources monitoring, reporting, KPIs)

ITELIOS (Capgemini) Project Manager, May-Aug. 2017, Paris

- ∴ Led a mission to create a project manager certification based on interviews with project managers and directors. I created a Confluence space, appreciated by the president, and now used as a reference by managers.
- ∴ SMCP project (Sandro/Maje/Claudie-Pierlot): I enhanced the billing process, created templates and assisted the project manager in his work.

EMAGINE Project Manager, 2016-2017, Alès

- ∴ As project manager, I had to negotiate and write the contract (financial plan, schedule, needs etc.), update the client and deliver the product.
- ∴ Led two teams of 3 and 2 students: definition of the client's needs, scheduling and resources management.

62 DEGRES Organizational Consultant, Nov./Dec. 2016, Paris

- ∴ I used a lean approach to reduce all kind of loss of productivity. The kitchen chef and the founder were very satisfied with the ideas I brought.
- ∴ Meetings and negotiations with suppliers. The founder continued the negotiation after I left.

I Wheel Share Business Developer, May/June 2016, Paris

- ∴ Business Plan : financial and strategic. I created scenarii which I presented at a fundraising meeting. It gave the CEO a clear view of her opportunities.

EDUCATION

- ∴ I represented the startup during the autonomic 2016 meeting.

2018/2020 – ESSEC Business School

Master in Management

2018 - Concordia University - Montreal, CANADA

Exchange program (4 months)

2015/2018 - Mines Alès, Institut Mines Telecom - Alès, FRANCE

French « Grandes Ecoles » program

Engineering degree in: *Engineering and Management of Complex Systems*

2013/2015 - Lycée Lakanal - Sceaux, FRANCE

Intensive math and science coursework for “Grandes Ecoles” examination
